ENGINEERS R&D TEAM

CHARMHIGH TECHNOLOGY LIMITED is a professional manufacturer of SMT Pick and Place machine and SMT production line since 2009. It is a R&D, production and sales as one of the high-tech company. We have plenty experiences in Machinery, on this basis, our company continued to develop new products, has been to meet many customers' needs.

Our CHMT serials SMT machines and SMT production lines are for the majority of small and medium enterprises and factories to provide complete automatic PCB assembly line, our products exported to all over the world and get very high feedback, and our equipments are constantly to innovating, we hope to create maximum value for users.

We are very keen to stay up to study with the latest SMT technology. We have confidence to create more high quality products and provide best service. Warmly welcome to visit our company!

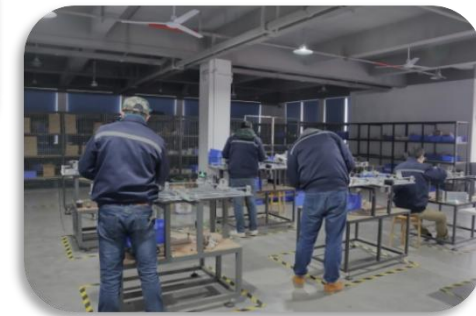

# Our Location

We located here:

Province: Hunan

City: Changsha

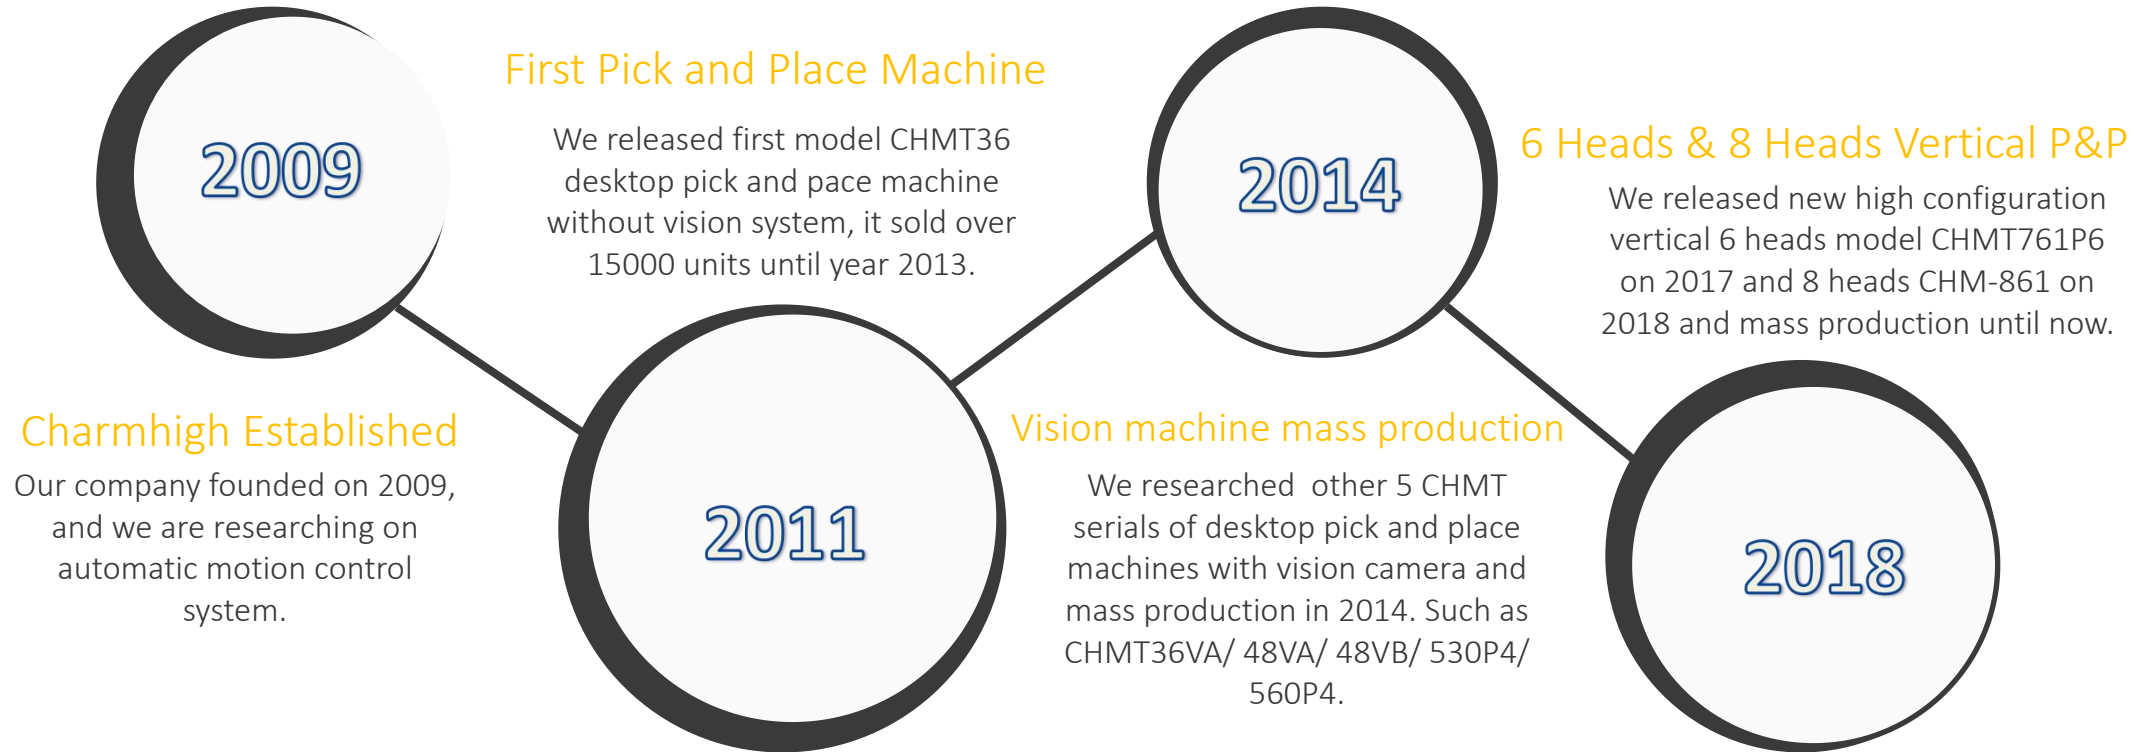

## CHARMHIGH FACTORY

**Address:** 104 Building D, Jinrong Tongxin Industry park,  
NO.179 Huizhizhong Road, Leifeng Zhen, Wangcheng District  
Changsha 410000, Hunan, China

# Company History

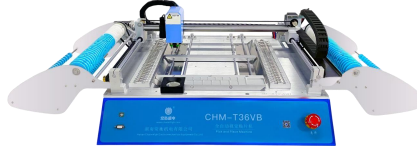

# SMT PICK AND PLACE MACHINE

2 Heads:

CHM-T36VA (29 feeders, PC control)

CHM-T36VB (58 feeders, PC control)

CHM-T48VB (58 feeders, PC built-in)

4 Heads, work with Yamaha feeder:

CHM-T530P4 (30 feeders)

CHM-T560P4 (60 feeders)

CHM-T510LP4 (For LED)

Advanced 4/6 Heads, work with Yamaha feeder:

CHM-551 (desktop, 4 heads, 50 feeders)

(with base)

CHM-751 (6 heads, 50 feeders)

# Main Products

Charmhigh Automatic SMT Pick and Place Machine, top Chinese brand.  
SMT ONE-STOP PRODUCTION EQUIPMENT SOLUTION EXPERT

High speed 6/8/10/20 Heads, work with NXT feeder:

TS06 (6 heads, 60 feeders)

TM08 (8 heads, 80 feeders)

TS10 (10 heads, 100 feeders)

TS20 (20 heads, dual arms, 100 feeders)

# SMT PRODUCTION LINE

**Plan 1. Prototyping, researching, small batch SMT line: (2 & 4 heads)**

**Plan 2. Small & Medium Batch SMT production line: (4 heads)**

**Plan 3. Small & Medium Mixed mounting SMT production line: (11.5m)**

**Plan 4. On-line medium PCB assembly line: (6 heads) 18000-25000cph**

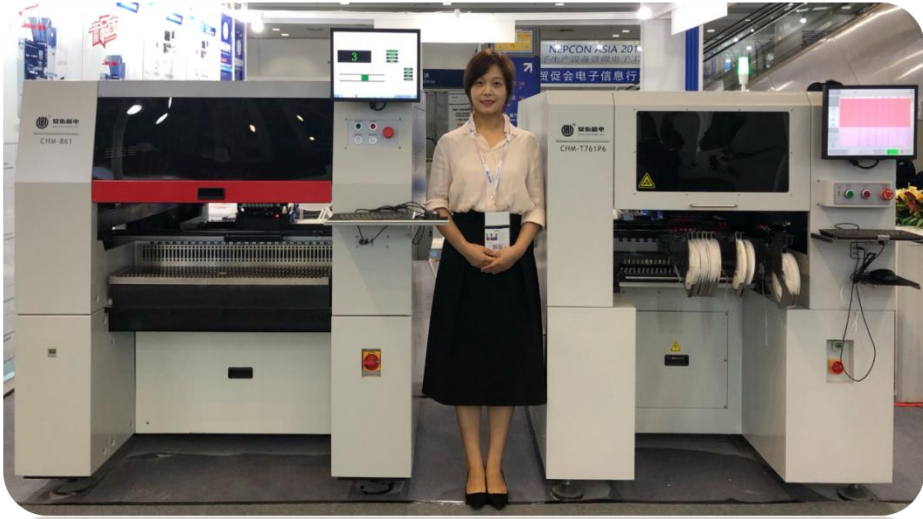

**Plan 5. On-line high speed large PCB assembly line: (10 heads + 8 heads) 50000-60000cph**

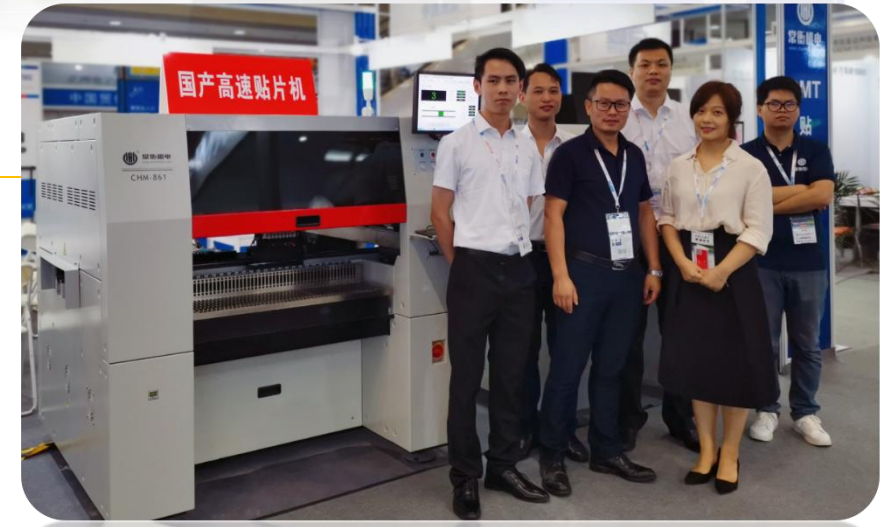

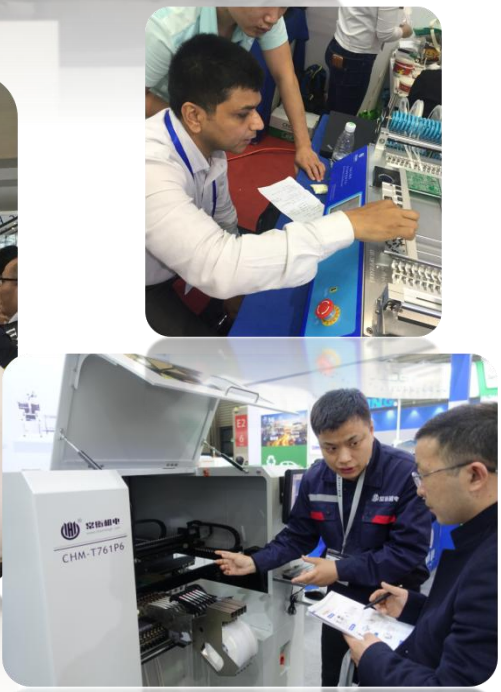

**Plan 6. On-line high speed large PCB assembly line: (20 heads + 10 heads) 75000-85000cph**
